<u>POTENTIAL COLLEGES:</u>

<u>POSSIBLE MAJOR/CAREER GOALS:</u>

*Students may waive one semester of the required Physical Education requirement by successfully completing two athletic programs during the same school year, participating in band for two years, or by successfully completing 90 hours of athletic instruction/practice/competition of a pre-approved non-school program related to physical education/athletics/recreation under the supervision of a teacher/coach/personal trainer in an eighteen week period of time. The Guidance Department will counsel registrants regarding this policy. (Health is required and may be completed in 10th grade.)

**The Visual, Performing and Applied Arts may include, but may not be limited to, credit earned in the Technology and Fine Arts Department, or through successful completion of classes such as Oral Communications or Yearbook and Journalism

***World Language graduation requirement requires two consecutive credits in the same language.
