Instructions for Salute Submission

Best Option #1 – Create, submit and pay for your senior salute online at yearbookforever.com

Option #2 – Follow instructions below:

- Select the salute size you wish to purchase; then, using the sample layouts, choose the design number within that size that you would like used for your student's salute in the yearbook.

Photos:

- Each salute contains a number of photos; supply enough pictures to fill the photo blocks in the salute you chose. If you include extra pictures, our staff will decide which one(s) to exclude without notifying you.
- Decide which picture you want in which photo block in the design. A vertical photo block requires "up and down" images and horizontal photo blocks require "left to right" images.
- Using a pencil, write softly on the back of the picture the photo block number in which you want the picture to appear. If you do not number the photos, our staff will place the photos attractively.
- Email photos to angelacritchett@grwestcatholic.org or mail hard-copies with your ad order form. We will do our best to make sure all photos get returned.
- We cannot use photos which have been cut, glued or taped to paper.
- Please DO NOT submit collages. They do not reproduce well and we cannot be responsible for the image quality problems that may arise.

Text:

- The words you want to include in your salute are called "copy." Please write (print) your copy legibly on the salute order form, or you may type or print it on a separate sheet and attach it to the order form.
- We will choose a font/typeface for the copy when we design your ad.
- Take into account the size of your ad when writing your message to your student. A large quantity of text in any ad will end up being set in small type which may not be easy to read.
