2023 WEST CATHOLIC HIGH SCHOOL AUCTION

from our PRESIDENT

Dear Parents, Alumni and Friends,

Welcome to the 17th annual Celebrate West! Auction. This is always a night of laughter, delicious food and fellowship. We are thrilled to have the return of Billy K as our caterer for one final year and to be guided through the night by our masters

of ceremony, Tony Fischer and Casey Jones. This year will be no exception as Celebrate West! is once again set to be the best night of the year for the West Catholic community. With gratitude abound, we have many things to celebrate!

The 2022-2023 year has brought fruitful success in our student body. Our sports seasons have been long – we keep on winning! Wrestling, bowling, competitive cheer, volleyball, equestrian, hockey and skiing each reached districts and beyond. Additionally, our girls basketball team made it to the Breslin Center in back-to-back years, and our football team and freshman tennis player Simon Caldwell brought home state championships! Our marching band, concert band and choir all earned top marks (1s) at their associations' festivals. Our spring musical, *Cinderella*, had multiple sold-out performances! The success of our students beyond the classroom is a testament to the dedication of our parents/guardians and the work ethic of our families. The community recognizes your children as well-rounded leaders and role models.

As you peruse tonight's program, you will notice the variety of items in the live auction and games throughout the night. Join me in participating in 50/50s, bucket raffles and wine pulls. Walk through the room to meet with friends, old and new, as you play along with various chances to try your luck. Don't forget to turn in your final tickets of the Big Cash Raffle. And don't miss the opportunity to bid on fantastic new live auction items and exciting experiences – Marco Island and Mexico are within your reach tonight as well!

It is my hope that all paddles can be raised during our Fund-A-Need. While some auctions use this moment to fund a special project on their campus, here at West, this moment directly impacts families who would not be able to afford West

Catholic tuition without additional support. Enjoy our video featuring WC alumni Daniel and Naomie Kanane. It serves as a reminder that each student who walks our halls has a story to share and a prayer to be heard. Please consider the level of gift you can afford so that we can have 100% participation in our Fund-A-Need moment this evening.

All gifts that are raised for Celebrate West! support tuition assistance in our Falcon Annual Fund. With 46% of our student body receiving tuition assistance, your participation tonight directly offsets our families' costs. Donations of any size are important in helping us fulfill our mission to form disciples of Christ through a dynamic, excellence-driven Catholic education.

The night goes quickly and the energy remains in high spirits! The stories of those in this crowd are ones of inspiration, from West's first graduating class to those who have joined our community for the first time this year. I am grateful for the ways each of you supports our ability to walk alongside parents for the formation of their young adults.

I would like to express my appreciation for all of our volunteers and our development team – Jill VanderEnde, Taylor Holman and Megan Eversman – for the time and effort that went into putting together this fantastic event. A huge thank you also goes out to our generous sponsors for making tonight possible. Finally, thanks to everyone who made donations, bought tickets and joined us this evening. This community is truly second to none.

We hope you enjoy your evening and this opportunity to celebrate West!

Together in Christ,

Jill (Wierzbicki) Annable

This evening's GAMES AND RAFFLES

PLAY THEM ALL!
May the odds be ever in your favor...

► Golden Ticket

We have hidden a Golden Ticket in one of the 100 candy bars we will be selling for \$100 each. Whoever has the Golden Ticket hidden in his/her candy bar will get a choice of ANY Live Auction item before the Live Auction begins. That means, for \$100, you could choose a trip to Mexico, a trip to Florida or reserved seats for the home football games!

Only 100 candy bars will be sold, which is a 1:100 chance to win! Prior to the Live Auction, purchasers will be directed to stand and unwrap their candy bars. DO NOT OPEN before instructed to do so by our auctioneer. If you have the Golden Ticket, you will have one minute to select your Live Auction item by 8 p.m.

► Wine Pull

A wine pull is a “drawing” for wine! Each person purchases a numbered cork for \$20 and then matches up the number on the cork with the number around the bottle. It's that simple!

Many of the bottles are valued at more than \$20, so you have the chance to win a nice bottle of wine for only \$20! Upon winning, take your bottle — we can even open it for your consumption tonight!

► Bucket Raffle

Back by popular demand, our bucket raffles offer you a great opportunity for awesome prizes. The more tickets you buy, the more chances you have to win! All you have to do is buy as many tickets as you would like — only \$5 per ticket — and drop your tickets in the buckets of the prizes you would like to win and wait for the drawing! You can insert multiple tickets per bucket to increase your chances of winning that item.

Make sure to check them all out! **You must be present at the time of the drawing to win.**

► Big Cash Raffle

A perennial favorite — each big cash raffle ticket costs \$20 and the winning payout is **\$5,000!** For every five tickets purchased, enter the name of a WC student for the chance to win a \$1,000 tuition credit (tuition credit valid until start of the 2027 academic year). Tickets are available at the raffle table. Both winners will be announced prior to the start of the live auction!

Note that if fewer than 550 tickets have been sold, the raffle will convert to a 50/50 drawing. Winner is responsible for all applicable taxes.

► Heads or Tails Game

Outlast all the other contestants and you will take home the Danby Single Tap Kegerator filled with Westsider Ale from Lost Art Brewhouse and a Broil King Baron Gas Grill with \$100 each to Lewandoski's Market and Sobie Meats.

Volunteers will be selling bead necklaces for only \$20 per strand. Be sure to purchase your beads early in the evening and buy up to 10 strands. *(Please note: each player may start the game with a maximum of 10 strands of beads!)*

Don't be afraid to "over-accessorize" as you won't want to miss out on this fun and hilarious game!

How to Play

STAND

Those who purchased beads must stand up wearing their beads.

GUESS

Choose heads or tails: Indicate guess by placing hands on either your head or on your "tail." Your hands must be in place before the coin toss and left there until the results from the coin toss are announced!

COIN TOSS

Coin is tossed by our Emcee and the results announced.

REMAIN STANDING

If you guessed correctly, remain standing. **If you guessed incorrectly**, but you have multiple necklaces, remove one strand of beads and wait for the next coin toss. Play each round with your remaining necklaces until you run out!

SIT

If you guessed incorrectly and are out of necklaces for the next round, please sit down.

You can continue to play as long as you still have a strand of beads. Players can change their predictions in between rounds, but not once the coin is flipped for that round. The play continues until only one person remains standing and is declared THE WINNER!

► Elimination Raffle

The winner of this raffle will receive a \$1,000 gift certificate toward a memorable trip to historic Mackinac Island to stay at the Grand Hotel. Bike around the island, play a round of golf, check out The Butterfly House, or enjoy a horse-drawn carriage ride. Whatever you do, enjoy the slower island pace.

Each chance to win is only \$20. There will be limited numbers sold so make sure to purchase your numbers early!

Choose your number, and once all of them are sold, we will begin the elimination process. Ten numbers each will be eliminated the first few rounds, then five numbers. We will eliminate the last five numbers one by one, and the last number remaining is the lucky winner!

► 50/50 Cash Raffle

What's a West Catholic Auction without a 50/50 raffle? That's right; tonight you have a chance to win big!

Ticket Cost: \$5 each, 6 for \$20 or your wingspan for \$50.
What a deal!

How the 50/50 Raffle works:

- Tickets available for purchase from strolling ticket sellers
- Cash is counted then split in half with West Catholic receiving 50% and one lucky winner receiving the other 50%
- You must be present at the time of the drawing to win

THANK YOU *to our sponsors!*

AUCTIONEER

Our Auctioneer for this evening is Managing Partner and Lead Auctioneer of Lamoreaux & Associates, Jason Lamoreaux. Jason grew up surrounded by the sights and sounds of his family's auction business and is a proud product of Catholic Schools. Jason has over 25 years of experience in the auction business, having led his first auction at age 15. Since then, he has conducted hundreds of auctions from coast to coast. Jason attended the Missouri Auction School while still in high school and then earned both a Bachelor of Arts and Master of Arts in Business Administration. He is a member of the National Auctioneers Association as well as the Michigan Auctioneers Association, for which he was named Auctioneer Champion. We are thrilled to have Jason with us again tonight!

It's so easy and fun!

LIVE AUCTION

Live Auction Bidding

It's easy to be a part of our live auction! If you'd like to bid, simply raise your bid card at the desired bid amount. Your bid card is inserted inside this program. For your convenience, your bid number is also printed on your nametag.

Please check the program and examine each item's description carefully — there may be stipulations and/or expiration dates associated with the item.

Each live auction item up for bid is generally a one-of-a-kind item. Occasionally, however, a donor may decide to offer a duplicate item in the case of a "bidding war." Using this offering is at the discretion of the auctioneer and both bidders must pay the same price for the item.

Some live auction items are geared toward a group of bidders. In that case, it's in your best interest to have only one person from the group doing the bidding. *When the bidding closes for the item, the winning bidder may provide us with a list of names and bid numbers for the group, and the cost can then be divided and charged to each member of the group.* If that information is not provided, the winning bidder will assume the full charge of the item.

After a successful bid, a signature and bid number are required to verify the bid. A signature on an oral bid constitutes a legal contract to buy.

How to Bid On Items

- You must have a bid number (received at check-in) to bid on auction items.
- The auctioneer will describe each item and open bidding with a suggested dollar amount.
- To bid, simply hold your bid number up high so that our spotters can see it.
- The auctioneer will acknowledge your bid by calling out the amount you are bidding.
- The auctioneer will determine the highest acceptable bid and call the winner.
- Winning bidders will be asked by the spotters to sign an auction receipt, at which time they should verify that the bid number, bid amount and item description are correct.

By bidding, you are stating that you are ready and willing to purchase an item for your bid amount. The winning bid is final and non-retractable.

Making arrangements for trips, outings, or similar live auction items is the responsibility of the winning bidder.

Three Unique Auction Formats

During the auction we will be offering three different ways to bid and donate — participate in all three!

- 1. Traditional Live Auction:** Will be conducted as described above.
- 2. Gift Card Frenzy:** A wide variety of gift certificates will be offered at two different times during the auction. The auctioneer will read the name and amount of the gift certificate prior to offering at retail value. The first visible paddle to the auctioneer will be the winner. (However, the auctioneer does reserve the right to hold a short "bid off" on the certificate if there is more than one paddle in the air.)
- 3. Fund-A-Need:** During the live auction there will be a special fund-a-need opportunity to benefit tuition assistance. Tuition cost for school year 2023-24 will be \$11,600. The Auctioneer will start out with a donation level of \$10,000. He will allow time for everyone who is interested in donating at that level to raise their paddle so their bid numbers can be recorded for that amount. He will then move down to the next lower donation level and will continue that process down to **\$100**. This is a great way to help provide much-needed tuition assistance funding! We are so appreciative of any amount!

Tax Information

Your receipt serves as your documentation for the IRS. Amounts paid for raffles do not qualify as deductible charitable contributions. Sales tax is included in your bid amount on taxable items by state law. West Catholic must report winnings of items valued at \$600 or more to the IRS on a W-2G Form. Winners will be asked to complete a W-9 Form: Request for Taxpayer Identification Number and Certification for Tory Smith, Business Office Admin. For all winners of items valued \$5,000 or more, West Catholic must withhold taxes from the winning proceeds and send it into the IRS along with a W-2G Form. Tory Smith will also need these winners to complete a W-9 Form. All items are sold "as is." This applies to the value, quality and condition of all auction items. All sales are final. No exchanges or refunds on auction items are permitted. Some items may have restrictions; please check the item descriptions in this program for details. In the case of a service provided by a third party, it is the bidder's responsibility to contact the provider to arrange the date, time and other details.
