**Deadline for submission:** Due to the volume of applications received and to allow adequate time for processing, it is very important that all scholarship applications and supporting documentation are turned in no later than **December 22, 2023 at 4 p.m.** Any application received after that date will **NOT** be considered for scholarship monies and will be returned to the student.

Please fill out the form carefully, making sure that email addresses and phone numbers are accurate. Students submitting applications will be notified of our decisions in late February or early March, if they have been selected for a scholarship.

**Scholarship Guidelines:** Please complete the entire application. If the scholarship you are applying for requires a letter or letters of recommendation, verification of previous school year GPA, verification of community service, an essay of 250-500 words, please take your time and complete the entire process. APPLICATIONS WITH ALL ELEMENTS COMPLETED RECEIVE GREATER CONSIDERATION THAN THOSE THAT ARE NOT COMPLETE WHEN SUBMITTED. It is not necessary to obtain verification from the school administration that you are a student in good standing with no current or athletic probation issues. The school will verify this requirement for you.

**One (1) student per scholarship application.** The committee will not review applications if there is more than one student name on the application.

Students are not guaranteed a scholarship. The total number and amount of scholarships are based upon the funds available.

Submitting your application: Fill out the form completely and turn it into the main office at West Catholic High School. Include your essay (if applicable), plus any letters of recommendation, verification of community service, previous year's GPA or any other documentation that may be required for the specific scholarship you are applying for. **IMPORTANT: PLEASE INCLUDE ALL REQUIRED DOCUMENTS.**
